Dear Sir/Mdm,

RE: A21 ACCOUNTING SOFTWARE

We are A21 users since year 1998, from version 2.2 to version 2.5. Our operation handles hundreds of transactions per day using your system.

We would like to compliment your team for the excellent support given to us since our upgrade to the A21 Enterprise-SQL Accounting software.

We are very satisfied with this software which is easy to use and the ability to generate various reports makes it a great business management tool. Your support staffs have been very helpful and so is your helpdesk in your office.

We will definitely recommend other small and medium sized companies to your easy to learn yet powerful software package.

Thank you.

Yours faithfully,
for Sunlight Paper Products Pte Ltd
